

FOR IMMEDIATE RELEASE:

Research for the Eagle Point High School Alumni Directory is Underway

According to Mike Bowles of the D-9 Foundation, work on the upcoming 2007 Eagle Point High School alumni directory is well underway, as we try to contact everyone by mail and phone to update each alumnus' information for the directory.

Designed to be the definitive reference of Eagle Point High School and our alumni, our directory will make it easy for you to reconnect with former friends and classmates. Complete listings will include academic, professional and personal information - sorted alphabetically by last name and cross-referenced by name as a student, if different. Alumni will also be listed by class year and city and state of residence, and a special section about Eagle Point High School will give you a look at our past and glimpse into our future.

To help make this directory as complete as possible, please be sure to respond to our appeal to update your biographical profile. If you haven't yet received a mailing, or would like to verify your listing by phone - please call our dedicated Eagle Point High School Alumni Directory Publication Office at **1- 800-546-3332** no later than July 23rd, 2007.
